Chapter 2 by Tristen Williams

HELP

A tall women in all black was dangling a girl, who looked about 16. The girl kept screaming "Bell witch", so I ran into the alley trying to save the girl that looked very frightened. Once the witch saw me she dropped the girl to her feet and ran as fast as she could.

The girl bent down to her knees holding her neck trying to catch her breathe she was fighting for. I bent down and helped her up, " Thank you i could've died" the unknown girl said. " Your welcome, what's your name"? I said to the girl. " Jessica" she said shyly.
